

Thank You Donors!

ABOUT THE MEMORIAL

The Tomah Area Veterans Memorial Campaign was started by area veterans who noted that the community did not have it's own veterans memorial. With Tomah's strong military heritage, the logical course was to pursue the construction of a local memorial. A design was chosen and fundraising began in 2009.

Butts Park on Superior Avenue (US Highway 12), just north of downtown Tomah, was approved by the Tomah City Council as the future site of the Memorial. The site is already home to a WWII vintage U.S. Sherman Tank.

The groundbreaking for the Memorial was held on July 30, 2010. Local veterans, legislators and residents came out to show their support for the project. Currently, many of the in-kind donations by local corporations are developing the current site.

Memorial construction costs are estimated at approximately \$125,000, including the monument and surrounding landscaping. Funding for this Memorial will come solely from corporate and individual donations, sales of Memorial bricks and memorabilia sold during Memorial events.

With your financial contribution, the Memorial will become a Tomah landmark for many years. Thank you for your support.
